Designed with today's lifestyle in mind, the Rivergum Homes' Signature Range delivers that rare blend of choice, flexibility and timeless urban sophistication.

Our extensive range of homes has been designed to be lived in and loved. Affordable, without compromising the home's design or aesthetic appeal.

At Rivergum Homes you have the option to choose from a variety of off-the-plan floorplans with matching façade elevations, or customise a design to suit your new home requirements. Our flexible team

of designers will happily customise a floor plan to suit, taking into account your piece of land, the slope, the views and its aspect.

Regardless of your situation, with Rivergum Homes you can enjoy the flexibility in creating spaces specially suited to your personal tastes, family and lifestyle.

THE pavilion DESIGN STUDIO

Personalising the look and feel of your home with your own unique style is one of the most exciting aspects of building.

The Pavilion at Mile End is Rivergum Homes' exclusive design studio and is one of the largest selection centres in Australia. Here, you'll find an extensive range of products, including the latest design trends and innovations, all on display.

Our interior design consultants will make an appointment to personally guide you through the selection process and answer any design or décor questions you might have.

If you are dreaming of a new home, we welcome you to visit for inspiration even before you build.
